Subject: Agenda for TASC call

Good Morning,

I wanted to share the agenda with you before today's call at 10:30 am. I know some of you are not available, but if your plans change and you can join us, please do. We will have notes from the meeting to share with all.

Thanks and looking forward to our call,

Pat

1. Introductions
2. TASC Overview
3. Questions on how TASC works
4. Community members on the call describe their general concerns about the Site
5. Questions on technical advising and what can be expected from a technical advisor
6. Expectations for next steps
